

WEDDINGS

Where Your Story Begins

In one of the most beautiful regions of Portugal, along the Alentejo coast, Craveiral Farmhouse stands as a place where nature, countryside and ocean exist in perfect harmony. Here, contemporary comfort meets authenticity, creating a setting where every detail is thoughtfully cared for and every moment feels meaningful.

More than a wedding venue, Craveiral Farmhouse is rooted in a clear vision: to contribute to the regeneration of the region through circular economy, valuing local producers, fostering community partnerships and honouring the land that surrounds us.

Sustainability - financial, social and environmental - together with comfort, modernity, freedom and authenticity define our values. Our mission is to offer interconnected experiences of hospitality, agriculture, gastronomy and nature, always with a mindful focus on well-being and mental balance. Our vision is to position ourselves as a reference for regenerative hospitality and circular economy within the region.

With outdoor spaces, a seamless connection to nature and elegant contemporary settings, every celebration held here is distinctive and full of character. The landscape, the light, the flavours and the atmosphere come together to create warm, genuine and unforgettable wedding experiences.

At Craveiral, we believe places belong to people — they are meant to be felt, celebrated and remembered. This is where meaningful memories are created and where the beginning of a lifetime together finds its most authentic setting.

Welcome to Craveiral Farmhouse.

From Farm to Table

At Craveiral, gastronomy is not just part of the celebration: it is part of our identity.

Our “farm to table” concept is rooted in seasonality, sustainability, and respect for the land. Around 70% of the ingredients used in our kitchen come directly from our own vegetable garden, while the remaining 30% are carefully sourced from trusted local producers.

Inspired by traditional Alentejo cuisine and the richness of the southwest coast, our menus combine authenticity with creativity, resulting in refined yet genuine flavors that reflect the region.

This philosophy extends to every wedding we host. Each menu is thoughtfully designed according to the season and tailored to the couple’s preferences, ensuring a dining experience that feels personal, meaningful, and connected to the land.

From welcome cocktails at sunset to intimate dinners under the stars and farewell brunches the next morning: every moment at the table tells a story of origin, taste, and togetherness.

Dining Spaces

At Craveiral Farmhouse, our restaurant and its adjoining terrace are the main settings for your wedding's dining moments. Both spaces are fully prepared to host celebrations in comfort, offering a seamless balance between contemporary design and the surrounding natural landscape.

However, we understand that every event has its own identity and rhythm. For those seeking something different, the property offers several alternative areas that can be transformed into unique dining settings. Please note that adapting these spaces involves additional logistical preparation, and therefore an associated setup fee applies, separate from the catering service.

Among these possibilities, our pine forest provides a relaxed and authentic atmosphere, where long tables or picnic-style setups create an informal yet memorable gathering under the trees.

The CIN (Nature Interpretation Centre) offers a more intimate and exclusive setting, with open views over the countryside and farm animals, ideal for refined dinners or private moments within your celebration.

Even the vegetable garden itself can become a distinctive backdrop for a lunch or dinner, immersing your guests in the true essence of our farm-to-table philosophy.

At Craveiral Farmhouse, dining is never just about the meal, is about the setting, the atmosphere, and the connection between people and place.

Sleeping at Craveiral

At Craveiral, accommodation is not just about comfort: it is about belonging.

Staying here means experiencing the warmth of a place that welcomes you as if you were inviting friends into your own home. It means discovering that true comfort lies in simplicity, authenticity, and thoughtful details.

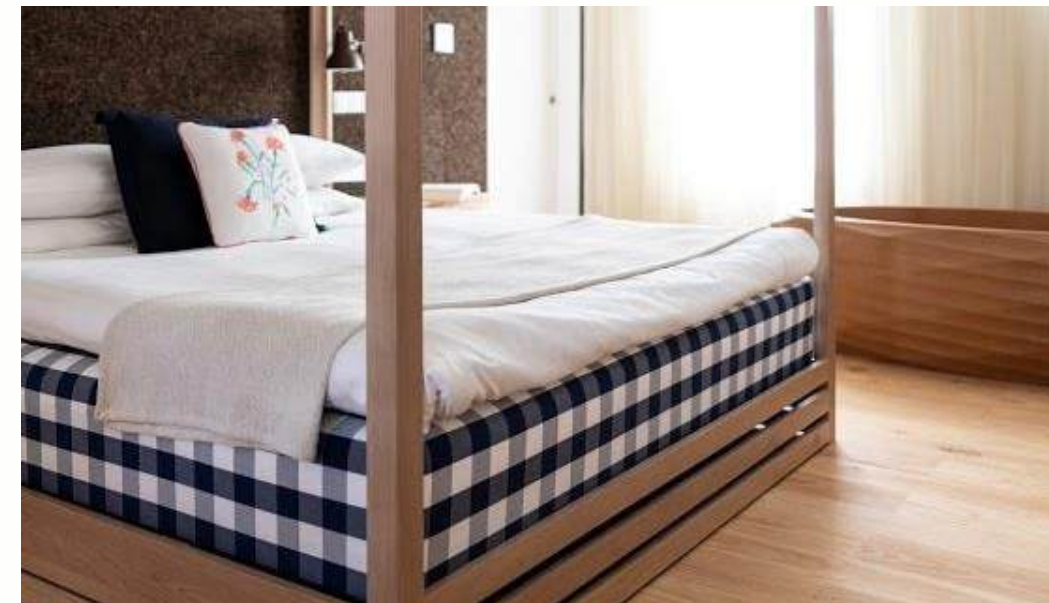

Our houses are fully equipped and designed to offer privacy, freedom, and tranquillity. Surrounded by nature, allowing guests to slow down and fully embrace the rhythm of the countryside.

Three swimming pools - one of them indoor and heated - a restaurant guided by our farm-to-table philosophy, a nature interpretation center, vegetable garden, orchards and farm animals all coexist in perfect balance with the landscape.

When sleeping at Craveiral, accommodation becomes part of the experience. Family and friends stay together on the property, sharing slow mornings, sunset gatherings, and meaningful moments that extend far beyond the wedding day itself.

We are not simply a hotel: we are a place to live, to connect, and to create lasting memories.

At Craveiral, even your pets are part of the family: we are proudly pet friendly.

The Wedding Experience

Weddings at Craveiral are held on an exclusive-use basis, with a minimum stay of two nights. This means the entire property is reserved solely for you and your guests, allowing your celebration to unfold in complete privacy and tranquillity.

More than a single-day event, a wedding at Craveiral becomes a shared experience: a meaningful time to gather family and friends, reconnect, and celebrate without rush.

The extended stay creates space for multiple moments throughout your celebration. You may choose to host a welcome dinner or sunset reception in one of our outdoor settings, surrounded by the countryside. A relaxed barbecue under the open sky, cocktails at golden hour, or an intimate gathering can mark the beginning of your celebration.

The last day can be equally memorable: a farewell brunch, a long breakfast filled with shared stories, or simply time spent together enjoying the pools, gardens, and facilities of the property.

At Craveiral, time is part of the experience. The exclusivity of the space allows each couple to design a celebration that feels personal and deeply connected to the people who matter most.

Weddings at Craveiral

Weddings at Craveiral are thoughtfully designed around two essential elements: the exclusive use of the property and a personalised food & beverage experience.

This approach allows each couple to shape their celebration freely, while ensuring privacy, comfort, and a seamless experience for all guests.

With a minimum stay of two nights, the entire property becomes your own private setting, giving you the time and space to celebrate at your own pace and create meaningful shared moments.
